

FRUSTRATED WITH INCREASING CONGESTION, AMERICANS ARE WILLING TO PAY HIGHER TAXES AND TOLLS TO FUND INFRASTRUCTURE IMPROVEMENTS

Congestion on America's roads and highways continues to grow. In fact, according to the latest HNTB Corporation America THINKS public opinion survey, Americans report congestion is noticeably worse today than just one year ago. They know improvements to our transportation infrastructure will help reduce congestion. They know funding is needed to pay for those improvements. And, they are willing to pay higher taxes and tolls to build and maintain a high quality, reliable and sustainable transportation system.

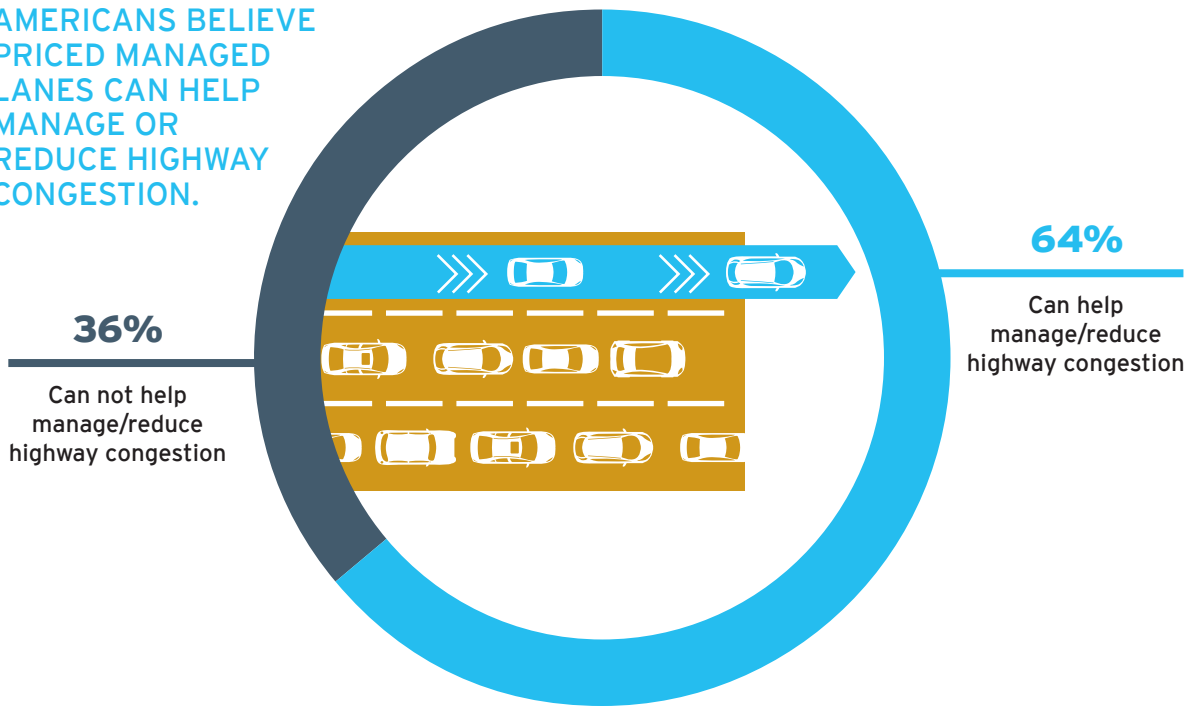

AMERICANS ARE WILLING TO PAY TOLLS TO AVOID CONGESTION AND HAVE PREDICTABLE TRAVEL TIMES, EVEN WHEN FREE ALTERNATIVES ARE AVAILABLE.

TO GET THE TRANSPORTATION SYSTEM THEY NEED AND WANT, AMERICANS ARE WILLING TO PAY HIGHER TAXES AND TOLLS FOR INFRASTRUCTURE IMPROVEMENTS.

AMERICANS BELIEVE PRICED MANAGED LANES CAN HELP MANAGE OR REDUCE HIGHWAY CONGESTION.

HNTB's America THINKS survey, Funding Congestion Solutions – 2018, polled a random nationwide sample of 1,011 Americans, ages 18 and older, between September 14 and September 16, 2018. Quotas were set to ensure reliable representation of the entire U.S. population ages 18 and over. The margin of error is +/- 3.1 percent.
